

Corner Canyon Girls Soccer

Youth Camp: Youth Camp will run next week, July 27 - 30, 2015. Camp costs \$55 and is coed from PreK - 4th grade and then girls only 5th - 8th grade. Any player who has 5 players use them as a reference for camp at check in gets \$25 off of their Uniform Pack.

Register My Athlete: Prior to tryout all players must be registered on register my athlete. Any athletes not registered in the system will not be allowed to participate in tryouts until they have registered. Please go to: <http://www.registermyathlete.com/schools/> and follow the instructions on the page to register your player.

Team Tryouts: Tryouts will take place August 3rd and August 4th. We will have 2 - 3 cuts, but either way we will have final selections by the night of August 5th. Tryouts will be from 9:00a - 11:00a and 5:00p - 7:00p both days. Players will need to arrive 30 minutes early on Monday to get checked in and receive a tryout number. Players must register on registermyathlete.com before they will be allowed to participate in tryouts. Please wear a white shirt as it helps separate teams for scrimmages.

Open Selection: Our tryouts are open tryouts, no returning player or incoming player has a guaranteed spot on the team. We are a young program and we are looking to build the best two teams possible. We are in a very competitive new region and we are looking to form three teams capable of competing and beating the top 4A programs in the State. We have carried very large rosters the past few years getting a feel for players and how it works, and this season we will be decreasing the size of our roster and making the team even more competitive. We do bring in outside evaluators to help get more eyes on the players and help watch all the talent we do get at our tryouts.

Team Commitment: If you are selected for the team you are expected to be at all team events, and they are first priority to other athletic events and commitments. We understand there are always a few individual exceptions, but for the most part you should plan on being at every practice and game. The first week of practice will continue with 2 a days, just like the tryout schedule. The next week we will practice once a day from 9:00 - 11:00 until school starts. Once school starts we will practice from 3:00 - 4:30 on A days and 1:20 to 3:00 on B days. Our game days are Tuesdays and Thursdays. The first game will be August 11th at Hillcrest. If for any reason you have a conflict that would make you miss any of the events on the calendar we've handed out, let us know prior to tryouts.

Fundraisers: This year we will be hosting a tournament at the school with our team and three others. Each player will be required to sell tickets to the games as part of her commitment to be a part of the team. The tournament will be August 12th and 13th. All tickets sales go directly back to our program, and a percentage of what we raise will benefit each player as well. During the tournament we will have silent auction items, so if you have things to donate start thinking about those, everything helps the program. We would like to make the nights a fun event so if people have access to cotton candy machines, or snow cones, or dunk tanks all are things that would be lots of fun to add to the event.

Expected Costs: We try our best to keep the cost of participation within reason. There is a mandatory \$70 participation fee from the school, this mostly covers our buses, referees and the lining of the soccer field. The uniform fee this year will be roughly \$175. This fee will include a new team jacket and team pants, a long sleeve shirt, a short sleeve team shirt, a duffle bag, and two pair of socks. For incoming freshman and any new players they will need to purchase a pair of our soccer leggings for \$30, trust us it is worth it our current players live in these leggings.
